

VALVES • ACTUATORS • HIGH PURITY PIPING • INDUSTRIAL PIPING • ENVIRONMENTAL PIPING

Date: 8/26/2013
To: Asahi/America Distributors
From: Asahi/America Sales and Engineering
Subject: Re-Design of PAG-Series Pneumatic Actuators
Item: AP79PN, BP79PN, CP79PN, DP79PN, AP79PSN, BP79PSN, CP79PSN, DP79PSN

In order to meet customer demands, we have re-designed the PAG product line of our Series 79P pneumatic actuators. This will result in the discontinuation of the current style, and an introduction of our re-designed PAG Series 79P pneumatic actuator.

Inventory:

The following table shows new part numbers and is a tentative shipping schedule for the new PAG pneumatic actuators:

Model	Part Number	Available	Model	Part Number	Available
AP79PN	2343011	Feb 2014	AP79PSN	2344011	Jan 2014
BP79PN	2343014	June 2014	BP79PSN	2344014	June 2014
CP79PN	2343017	Sept 2013	CP79PSN	2344017	Aug 2013
DP79PN	2343022	Feb 2014	DP79PSN	2344022	Feb 2014

Pricing:

The New PAG Series 79P will be priced the same as the old style, even with the additional features and benefits.

Features and Benefits:

- All actuator shafts have a 20mm height for accessory mounting
- All actuator shafts to be square, offset 45 degrees
- Actuators utilize the same end caps for DA or SR applications
- End caps secured to actuator body via SS bolt and inserted nut
- SR model feature pre-loaded captive springs
